

## STANDARD CHILDREN'S SIZING: For Tops, Bottoms and Outerwear

Body measurements (in centimetres)							
	Small		Medium		Large		
Sizes by Age	2	4	6	8	10	12	14
Chest	55	59	63	68	73	78	83
Waist	53	55	57	60	63	66	69
Hip	58	62	66	71	76	81	86
Height	89	106	120	132	144	150	160

The above are body measurements and should be used as a guide to help you select your garment size. Depending on how you prefer to wear your clothing, the number of layers and purpose of the garment you may select the corresponding size.

**Measuring Guidelines:** Here are some tips to help you select your child's correct Snowgum size. To achieve a more accurate measurement clothing should be body fitted with minimal bulk. A measure tape is required.

### **CHEST :**

With relaxed arms, measure around the fullest part of your child's chest.

### **WAIST:**

Measure around the natural waistline at narrowest point.

### **HIP:**

Standing with feet together, measure around the fullest part of your child's hips. Tape measure should be able to slide down and over your child's bottom.
